The Georgia Futbol Club will make every effort to improve our check processing procedures. This activity is extremely labor intensive and is done by club volunteers and often takes a considerable amount of time.

I understand that by paying by check for my registration and/or training fees may result in a delay before my check is actually deposited and funds are withdrawn from my account. I agree that Georgia FC is not responsible from my account balances or any charges that may occur from bank service charges related to NSF fees.

I acknowledge that I have read and agree to all terms of the Georgia FC Financial Disclosure Form. I understand that once my child has accepted a roster position on a Georgia FC team that the commitment will be for the entire 2010/2011 year which includes Fall AND Spring season. I understand that any request for release or transfer from this team during the 2010/2011 year must be approved by the GFC select committee. I also understand that all training, tournament and registration fees for the 2010/2011 year must be paid in full prior to a transfer being approved by the club.
